Dear Jovon and Thelma

RE: LAUNCH OF M-CLASS IN GEORGE

Letter of Recommendation

Thank you very much for the unbelievable entertainment on the launch of the Mercedes-Benz M-class in November 2005 in George (Fancourt and Kayman's Grotte).

You and Thelma had a huge contribution to the success of both our events.

We will definitely contact you in the near future again.

Compliments of the season, hope you'll have a great and successful 2006.

Yours sincerely

Este Prinsloo
