TO WHOM IT MAY CONCERN

I have been requested to provide a reference on Jovan and Thelma Heyns.

I recently "retired" as the CEO of the Fancourt Resort in George, a position I held for 18 years. During the past few years, Fancourt utilised the services of Jovan and Thelma to provide entertainment in the Clubhouse facility, as well as at selected functions on the Resort. I have also personally used Jovan and Thelma for my daughter's wedding, as well as my farewell function.

Jovan and Thelma provide musical entertainment out of the top drawer. Their talent is exceptional and as a couple they are able to offer entertainment to all levels of society. Their music is outstanding, and there was many a night at Fancourt that they played through the night, all due to the wonderful atmosphere that they are able to create with their music. Many groups at Fancourt will remember the entertainment they provided, and still continue to provide.

Their selection of music also caters to all ages, and I can highly recommend them for any function or event. They are able to provide entertainment to small groups as well as to crowds in a stadium, and this is a clear indication of the talent they have. I will certainly be using them for events that I am responsible for in my new capacity.

I wish them well with their new recordings, and would be happy to give further information and can be contacted as below.
