

---

26 February 2009

To whom it may concern,

This serves as a reference for Jovan & Thelma.

We used them during a National Climate Change Summit at the Diaz Strand Hotel in February 2009.

They were very professional and contributed to a very successful cocktail evening. Their music created a lively atmosphere and all the guests enjoyed the entertainment.

I would gladly recommend them as great live entertainment.

Kind regards

Mariki Theron
