

PROTEA HOTEL WILDERNESS RESORT

Attention: Jovan and Thelma

On behalf of Protea Hotel Wilderness Resort, I wish to thank the Stanmar Motors duet couple, Jovan & Thelma, most sincerely for the excellent entertainment during our recent PSA Conference. Our client was very happy and so were we. We really enjoyed the dance and will definitely make use of your services in the near future.

It gave us great peace of mind to know that at all times we could rely on your professional service.

You're sincerely
