Re: Jovan & Thelma in Mozambique

To Whom It May Concern:

I am so impressed with these two, they were invited to sing at an event called Maputo Partnership 2004, in Mozambique where the culture of each individual differ from East to West. Despite this they entertained everyone, not a single sole were "untouched" by their wonderful talent.

The songs they chose were absolutely marvelous, some people didn't know these songs (Afrikaans songs), but funny enough, they were the one's dancing the most.

We were the last people staying there (only 8 people, from about 360), yet they kept on singing and entertaining us until we went home.

I would like to thank them for coming to Mozambique, and by this given me the opportunity to see their talent.

Hope to see them again in the near future.
